

Peter King's Lawnmowing and Slashing- Lawn Cutting & Garden Maintenance

Our Professional Lawn Mowing and Slashing Services

Peter King's Lawnmowing and Slashing Lawn Cutting and Garden Maintenance Services has the equipment and fully trained team to handle any gardening maintenance jobs of any size, while maintaining a high- quality standards and personalised level of service.

RANGE OF SERVICES:

Landscape Maintenance

Peter King's Lawnmowing and Slashing technicians are fully trained and equipped to handle a broad range of landscape maintenance work for their residential and commercial clients in Inverell.

Their dedicated team of lawn cutting and garden maintenance staff provides regular maintenance of lawns, including pruning, edging and weed control. They can also supply plants and rocks at competitive prices.

Mowing and Slashing

They offer regular lawn mowing and slashing services, ranging from small residential yards to Commercial properties. They only use commercial grade equipment for clearing empty blocks of land or even roadside mowing.
