

Living Colour Quality Painting Painters & Decorators

Living Colour has a wealth of experience and we take great pride in our professional expertise and attention to detail.

We are licensed and fully equipped to supply paint preparation, application and maintenance in Queensland and NewSouth Wales.

We have the appropriate licenses and experience to work with hazardous materials including asbestos and lead and always perform detailed inspections with full procedural disclosure prior to, during and at the completion of projects.

Projects we undertake and services we supply include:

- SCHOOLS
- RETAIL SHOWROOMS
- OFFICE SPACES
- MAINTENANCE PROGRAMS
- BODY CORPORATE PROJECTS
- AGED & HEALTH CARE FACILITIES
- CLUBS
- QUALITY RESIDENTIAL REPAIRS

We do not sub-contract projects, giving us complete control over quality, workmanship and scheduling

Through a philosophy of supplying quality workmanship, ethical business practice and full procedural disclosure, Living Colour has grown to become one of the Gold Coast's most respected painting contractors.

We distinguish ourselves not by our size, but by our passion for client service and by understanding that clients have alternatives when it comes to paint maintenance providers. We know that we need to earn your business and your referrals each and every day.
