New Car Service in Adelaide

As your local service centre we can service your new car. No need to queue at dealerships any longer! Carrington Street Auto Repairs can carry out car manufacturers scheduled services and stamp your service book when servicing your brand new vehicle. Your new car warranty will be validated and protected.

Your local repairer you know and trust, backed by Repco

Carrington Street Auto Repairs is an independently owned and operated car service centre: so when you bring your car in, you get friendly local service. However, as part of the Repco Premium Authorised Car Service centre chain, we can now offer an even wider range of repair services. Every Repco Authorised Service centre is the same friendly local garage you're used to dealing with, now a part of growing national chain. Carrington Street Auto Repairs is backed by Repco and can offer a wide range of repair services, and we are now even better equipped to look after your vehicle.

RAS Nationwide Warranty

Repco Nationwide Warranty gives you peace of mind when you service your car at Carrington Street Auto Repairs! RAS Premium Service Nationwide Warranty covers quality Repco parts and labour for 12 months or 20,000 kms, honored in more than 350 locations all over Australia.

Car Servicing Affiliations

As a [Repco Authorised Car Service](#) centre, we have a commitment to high quality workmanship, ensuring the very best in automotive care. Carrington Street Auto Repairs is a member of the Repco Auto Tech training program, ensuring each mechanic is kept fully up to date with modern vehicle repair methods. Developed and run by industry's most experienced trainers, Repco Auto Tech is Australia's leading provider of automotive technical information and training and is the source for accurate information, professional advice, automotive software and locally delivered training clinics at more than 120 locations throughout Australia.

Carrington Street Auto Repairs proudly display the Royal Automobile Association of South Australia (RAA) approved mechanical repairer sign. Certification means that you can be sure that our business meet the RAA high standards. As an RAA Approved Mechanical Repairer we also operate an RAA auxiliary contract van for RAA Roadside Assistance.

We are also a member of the Australian Automotive Aftermarket Association (AAAA), playing an important role in the recognition, development and support of the automotive aftermarket industry.

Our workshop is a member of the Institute of Automotive Mechanical Engineers (IAME), and association for individuals and organisations in the automotive industry.

Carrington Street Auto Repairs is a member of the Motor Trade Association of South Australia. The MTA has represented the local motor trade industry for over 80 years. We stand by the MTA code of ethics and participate in regular MTA training courses.

We are licenced by the Australian Refrigeration Council (ARC) and are fully qualified to service, repair and regas your car air conditioning system.

Our fully qualified log book servicing ensures your car is in safe hands, and we provide quality car service and repairs on all models... including four wheel drive and Diesel vehicles.
