

# Wright Street Mechanical & Auto Electrical Repairs

## Gas Struts

### Welcome

Wright Street Mechanical (WSM), Adelaide mechanic was established in 1966 and has built a reputation on trust and ethics, with true customer service.

WSM, an Adelaide based car mechanic, is a family owned business, providing knowledge and experience in the automotive field, with personal commitment to our customers.

At WSM, mechanical repairer Adelaide, we have fully qualified mechanics who are more than happy to discuss your needs and concerns. We continue to keep updated with journal reports and by participating in courses conducted throughout the year, to keep abreast of the evolving changes to the automotive industry and technical advancements in engine management.

At WSM, your Adelaide mechanic repairer, being a centrally located business in the heart of the CBD, we cover all your mechanical needs, including having a fully qualified auto-electrician to help you with all your auto electrical needs.

With over 20 years knowledge in the mechanical and auto-electrical realm of vehicle servicing and repairs, we are committed to helping you and your car running smoothly and back on the road.

We specialise in most makes and models, including: Subaru, Honda, Mazda, Holden, Toyota, Ford, Hyundai, Kia, Daewoo, Jeep, Peugeot, Citroen, Renault, BMW, Volkswagen, Audi, Skoda, and many more.

If you wish to discuss your vehicle concerns or just want a quote, please do not hesitate to contact us on [08 8231 5706](tel:0882315706).
