- ✓ Worn keys cut back to original form

Quality Replacement Lock Parts

Automotive Locks

At John Barnes & Company Pty Ltd Locksmiths, we're committed to providing our customers with reliable replacement parts at the right price. That's why we offer an excellent range of aftermarket parts to our Melbourne customers, including ignition locks, doors, boots and glove box locks.

Automotive and Garage Remotes

When you keep your car locked away in your garage, it's a hassle to get out of the car to open it every time you come and go. With our reliable garage and automotive remotes, that's no longer an issue.
