

Beautiful Memorials

Stonemason

Mission Statement:

At Beautiful Memorials we are committed to providing top quality memorials to the Melbourne Metropolitan and surrounding areas by providing only top quality granites and marble, personal service and attention to detail matched by no other.

Selecting a Beautiful Memorial:

We focus on the Personal side of building and designing cemetery memorials for you, our client. We believe that every memorial should have a timeless quality: a quality that only comes from using the finest natural materials and skilled workmanship. To make sure that your memorial is appropriate and enduring, we will work closely with you throughout the selection process.

Understanding:

From the moment you call us, you will be given our complete attention. we will listen to what you want and provide guidance where needed. Then our advisers will help you select a memorial that's right for you - not what's best for us. Once installed, our team can continue to offer this special level of care through continued advise

Showroom:

We have a showroom located in 144 Melville Rd Pascoe Vale South near Fawkner Cemetery displaying many examples of our memorials and masonry work. Our friendly staff will be able to assist you with your needs and requirements.

We import the best quality materials, which means we are cutting out the middle man, and so guarantee the most competitive prices.

We produce what YOU want, not what other stonemasons want to sell you.

Our service also includes additional inscriptions, cleaning memorials, renovations and much more.

Should you require any further information without obligation, kindly contact us. We would gladly visit your home to advise and assist, or transport is available to and from either of our showrooms.

We are looking forward to seeing and being of service to you soon.

Stonemasons in Melbourne

It is a daunting task to find the right kind of a monumental stonemasons in Melbourne to create a legendary memorial for the people that you love. It is a very

personal affair and hence every family has a different requirement of monument formation.

When you choose Beautiful Memorials to purchase a monument, acquire monumental decoration, choose from a wide range of memorial plaques, or buy a headstone, we will always be here to help you throughout every important process. The word of our customers is extremely important for us and hence we treat each of our clients like just like a family member.

We are one of the leading stonemasons in Melbourne in the area that we serve in because we consider it very important to do justice with the needs and want of our clients even if that means that we have to change our design flow. George, Lyn, and the team at Beautiful Memorials take out time to understand what is important to you. Our team specifically focuses on the design and craftsmanship of the memorial through actively collaborating with clients on every process.

We believe that the artistic input of our clients is very important as it shapes the final product. We have an immense experience as stonemasons in Melbourne, so you can be assured that the level and quality of work that you will receive from us will be very high. At Beautiful Memorials, we take pride and privilege in delivering fine quality value and craftsmanship to our clients since our inception.

Building memorials is a work of art and therefore we use the finest quality material, as we know that a monument lasts for a timeless period. It is important to incorporate true workmanship with high quality raw materials to ensure that a monument will look breathtaking and beautiful even after numerous years to come.

We create a wide array of monuments such as lawn, single, double, and chapel monuments with breathtaking plaques. Our selection of colours and stone is always the best and hence we apply all the design aesthetics to make sure that we do complete justice to the lasting memory of your loved one.

The peace of mind and happiness of our clients is our top priority and we ensure that two-way communication is maintained throughout the process so that there is mutual understanding on the progress of monument building. Call us now to take an appointment from us or request for a no-obligation quote.
