## Home Cleaners

### About Us

We are proud to be the trusted professionals in making your house, a home.

Quite simply, our maids are a cut above, and are well-trained in the art of maintaining the perfect household, from cleaning and ironing to taking expert care of children. All maids are insured to give you peace of mind.

As you would expect, communication is paramount. All Tiffany Maids speak strong English, and are trained to go above and beyond in all areas of the home in order to earn your trust and exceed your every expectation.

Here at Tiffany Maids, we are also proud to exceptional value for money, and believe ourselves to be amongst the most affordable maid offerings in Perth. Two of our main offerings are maid services and Home Cleaning .

### Maid Services

The best maid service starts with open communication. We'll both ask questions of each other in order to determine the exact requirements that you have of a maid, as well as formulate an accurate quote for your service. After all, it's only in knowing your expectations, that we are able to exceed them! Other details to discuss include how long you would like the maid to attend each day, who provides the cleaning products, etc. We are happy to tailor our services to suit your unique household, and are confident that you'll be thoroughly impressed with the maid service you receive.

### Home Cleaning

#### **Sick of spending your spare time cleaning the house?**

Reclaim your rest and relaxation time by asking a Tiffany Maid to do all the hard scrubbing and mopping for you. We have maids ready to help you and we think you'll be pleasantly surprised just how affordable our quality actually are. Even if you aren't looking to have your house cleaned daily or weekly, why not engage Tiffany Maids on a monthly, bi-yearly or even annual basis, just to give your home that solid and thorough 'once-over'.
