## Bumper Repairs

### Bumper Repairs

#### **Quick, cheap, convenient solutions for all bumper damage**

Perth Bumper and Buff are your local mobile specialists in bumper repair. Our unique system can repair minor or major scratches, scrapes, dents and even holes in your bumper leaving it looking brand new.

No need to visit an expensive panel beater or replace the whole bumper bar, Perth Bumper and Buff can restore your bumper to pre-accident condition generally within 1 – 4 hours at a cost usually less than your insurance excess!

What's more we come to you at your home or office, wherever your car is parked, saving you time and money.

### Car Detailing

#### **Perth Car Detailing – Prepare your car for sale**

#### **Spend a little, make a whole lot more with Perth Bumper and Buff's Car Detailing Service!**

Perth Bumper and Buff can bring back the shine for you. The Perth climate can be harsh on your car's paint making it appear dull, faded and tired. Perth Bumper and Buff will go over the whole car getting out those tiny car park scratches or swirl marks making your car shine once again. Choose from our 'Prepare for Sale Detail' or 'Repair and Prepare Detail' or we can provide a customised service if you require.

- Prepare for Sale Detail will go over the whole car with our orbital buff and polishing machine which will bring back the shine. We then clean the windows, wheels and black plastics and for a little bit extra can touch up any stone chips or scratches that are left once we've finished.
- Repair and Prepare will go over the whole car like our Prepare for Sale Detail but we can also do minor paint repairs, bumper repairs etc saving you time and money.

### Buff & Polish

#### **Keep your car looking great with a buff and polish**

Are you getting your car ready for sale or do you simply take pride in maintaining a beautiful vehicle?

The Perth climate can be harsh on car paint creating a dull, faded look over time. Perth Bumper and Buff are specialists in restoring the shine, removing most scratches and swirl marks leaving your car in pristine condition.

For a complete makeover combine our buff and polish with the Perth Bumper and Buff specialist stone chip and scratch service at little extra cost. We'll match your cars paint to touch up any stone chips and scratches making them less noticeable whilst protecting them from the elements.

### Headlight Restoration

Foggy, yellowing, oxidized, faded, there are many ways to out it but when the headlights become this way they are not only unsightly but unsafe also.

Oxidation is caused over time by the heat of the headlight or the sun and to replace damaged headlights is expensive but not necessary as our headlight restoration service can clear up that problem.

Our mobile service can restore your headlights conveniently at your home or place of work at a fraction of the price of replacement making them much nicer to look at and more also safer.

Perth Bumper and Buff provide specialist bumper repairs, buff and polish, stone chip and scratch repair, paint protection and minor paint repairs. We understand you're busy so our fully mobile service will come to you.

Our work is carried out at your home or place of work and is completed in less than 4 hours plus we do our best to book in a time that is convenient to you.

We also respect the fact we are working at your home or workplace and leave our working area the same as it was when we arrived.

We cover all areas of Perth and happily offer a FREE no obligation quote.
