

Darwin Constructions

Builders

Our Vision

Darwin Construction is to be a leading construction company by building quality cost effective and sustainable buildings safely and on time

Our Mission

Darwin Construction is continuously improving our services to our customers and being Responsive to their needs by constructing sustainable safe high quality cost effective buildings.

Core Value

- **Respect:** We respect the ideas, culture, views, knowledge and health and safety of all people.
- **Innovation:** We challenge and seek to find a better solution, think out side the box; dare to do things differently. We are innovative and creative.
- **Excellence:** We embody excellence whether it is the decision we make, the products we build or the services we provide.
- **Integrity:** Is non- negotiable we don't do it if it compromises the individual or the company's integrity.
- **Sustainability:** Is an integral part of our culture a central part of our business strategy.
