About DSR Property

We understand the time pressures which are associated with certain clean and are able to mobilise a cleaning team quickly and efficiently to meet our client's requirements. With all our cleaning partners we only work with providers which we know deliver the same high standard of cleaning as us. We only Specialise in Cleaning. It's our Focus and Our Passion.

We've used the years to build both our own in-house specialist cleaning teams and to develop relationships with independent cleaning contractors, which enable us to meet even the most demanding of cleaning challenges. Both teams are backed up by our centralised management and support structure, which allows us to delivers a robust and consistent approach to professional cleaning.

We pride ourselves on working at a local level, partnering with local cleaning contractors, to complete local cleans. When you next want a reliable, forward-thinking cleaning company get in touch with us - we'd love to hear from you.

Our Work Ethic

Financial success means paying our staff wages that express the dignity and degree of hard work and knowledge involved in this very important career, while maintaining competitive prices. To encourage increased awareness and the use of chemical free products in your home and office.

- To provide our customers with the finest quality cleaning services.
- Our Commitment To Our Customers And Ourselves.
- The Clean Team - Leave Your Troubles With Us.
- We're a Lean Mean Cleaning Machine.

[Daily Office cleaning](#)

Providing a clean office environment is a key component to a modern, effective organisation. Cleanliness is of paramount importance to a company's brand persona and client perception. It also has a major role to play for employee health and well-being and can directly influence productivity through the prevention of absences from work.

[Event cleaning](#)

Events can generate high traffic and high wear and require a deep but fast clean, to ensure the event space can return to normal use in the shortest time possible. Whether your event is a national trade show, music festival, wedding venue, corporate hospitality, conference or sporting event, we have the ability to provide small, medium and large scale professional, uniformed teams to provide event cleaning before, during and post event.

[End of lease cleaning](#)

The lifecycle of many businesses demand the need to move premises be it due to upsizing, downsizing or relocation. Providing high quality end of lease cleans is a key component in minimising the stress of relocating. Our experience in end of lease cleaning, we recognise the needs both of the letting agent and the tenant. Every commercial property type has a different cleaning requirement, and it goes without saying it must be completed on time, on budget and to a high standard, ready for leasing to a new occupant.

[Leisure / Holiday lets cleaning](#)

We understand our customer's expectations are set high when it comes to their leisure time. Whatever your leisure business the cleanliness, presentation and hygiene standards of your business will have a direct influence on your sales. We also understand that in a climate where every penny counts leisure businesses budgets are tight and there's no room for cost inefficiencies. With years of cleaning experience for both national leisure chains and boutique independents, we can provide a cost efficient cleaning service.

[Restaurant cleaning](#)

We know how demanding your customers are and the expectations of your front of house presentation. Whether your hospitality business is a traditional pub, a stylish bar or restaurant, independent or part of a managed chain, high standards of cleanliness and hygiene are now not just expected but essential to your business.

[Shopping centre cleaning](#)

Shopping Centre Managers understand that the quality and perception of a shopping centre is dependent on its cleanliness and standards, we are ready to assure that standard.

[Super market cleaning](#)

In a fiercely competitive marketplace it goes without saying that customers don't and won't shop in and unclean supermarket. We are a professional retail cleaners specialising in supermarket contract cleaning, with years of experience in delivering robust, effective cleaning solutions.

[Warehouses & Distribution cleaning](#)

We're a distribution centre cleaning specialist, with years of experience in cleaning warehouses and distribution centres.

[Manufacturing cleaning](#)

The cleanliness of a factory can directly impact production and the standards of your products/service. We provide a comprehensive cleaning service to ensure that your equipment, workspace and public and private areas are kept clean and tidy..

[Domestic Cleaning](#)

We do cleaning in the domestic market. We carry out end of tenancy cleans for the tenant, landlord or letting agents. This service we can provide throughout Australia.
