FLOOR & WALL TILING ADELAIDE

It's all in the name; wall and floor tiling is what we do! We are recognised as professional tilers, offering high quality design and craftsmanship. We come to you highly experienced and offer competitive quotes on your wall and floor tiling needs.

The key to a quality finish is in the attention to detail. We can tile your walls and floors using any type of tile, from porcelain to marble, ceramic to mosaic.

BATHROOM RENOVATIONS ADELAIDE

Renovating your bathroom? PS Wall and Floor Tiling offer the complete tiling experience, from screeding and waterproofing through to the finished product. We collaborate with each individual client to measure and design contemporary, sophisticated bathrooms for all budgets. Our tilers will ensure that your bathroom design not only complements the style of your home but also matches your unique style.

KITCHEN SPLASHBACKS ADELAIDE

Whether you're renovating your kitchen, building a new home or simply needing to replace your kitchen splashback, we will ensure that your splashback tiling is on trend and matches the style of your kitchen. PS Wall and Floor Tiling can take the stress out of your kitchen makeover, by working with you to design the perfect layout.

We understand that good quality tiling design could be the breath of fresh air that your home or office needs.
