

ARB Lawns and Gardens-Lawn Cutting & Garden Maintenance-Newton

Pointers in Hiring a Garden Maintenance Contractor

How about every time you look at your garden, you feel refreshed and relaxed? Hiring a qualified and reliable Garden Maintenance contractors is one of the best options if you don't have the time and energy to maintain your lawn and garden.

So here are some important factors you should look for in the services offered by a Garden Maintenance Contractor:

Lawn and Grass Care Specialist

A professional lawn cutting and garden maintenance contractors should be knowledgeable in all lawn maintenance works but not limited to:

- Cutting of grass
- Lawn Treatments
- Lawn Scarifying
- Thatches removal
- Dressing up Top of Your Lawn
- Turf Removals and Replacement

Hedges and Flower Beds

Your garden maintenance contractors should be able to offer these services:

- Pest and Bugs control
- Weeding and Weed Prevention
- Hedge Trimming
- Pruning
- Plating

Different Areas of Your Garden

A garden maintenance provider should not be tied solely to service the plants and cutting grass. A skilled garden maintenance specialist should be able to undertake other miscellaneous garden services.

- Cleaning up patios and driveways
- Removing dried leaves and rubbish
- Fence and Shed maintenance
- Sprinkler and Irrigation system maintenance

ARB Lawns and Gardens friendly and efficient garden maintenance technicians has got you covered on all your garden and lawn care requirements at a reasonable price.
