

SA Corners Cleaning Services- Commercial Cleaners- Mawson Lakes

Commercial Cleaning Checklist

A commercial cleaning company can be a cost-effective investment for any businesses owner. A work environment that is well maintained by a commercial cleaning company can have a positive effect, not only on the cleanliness of a business, but also the work environment and the image of the business.

Here are some of the cleaning services to maintain the cleanliness and hygiene of your commercial establishments.

- Sweep all floors that have tile, wood, ceramic, laminate, or linoleum
- Vacuum carpeted sections
- Replace air freshener cartridges as needed
- Clean the bathrooms throughout the building
- Clean the entrance doors and all glass interior doors
- Mop all floor that have tile, ceramic, linoleum, wood, laminate, or vinyl coverings
- Empty all trash receptacles
- Clean break rooms
- Dust office furniture such as desks, file cabinets, and venetian blinds
- Clean ceiling fans, and may replace air conditioner filters
- Shampoo carpets twice a year or as needed
- Polish tile floors twice a year or as needed
