### **Residential Cleaning Checklist**

Residential cleaning services are necessary these days. We don't have the time to clean the home and lawns properly. As the result with us the allergens, rodents and dust mites start sharing the space in our sweet home.

Here is a helpful checklist of Residential Cleaning Services that you can look for in hiring residential cleaners:

- Wash dishes or load the dishwasher
- Sweep and mop all floors that do not have carpet
- Make the beds
- Change sheets when necessary
- Water house plants
- Dust all end tables, book cases, and wooden furniture
- Clean ceiling fans and keep them free of dust
- Scrub bathroom including shower and tub
- Clear mirrors
- Hang up clothing and pick up clutter
- Clean out refrigerators
- Clear kitchen counters
- Empty trash baskets in all rooms

**SA Corners Cleaning Services offer a range of residential cleaning services. They are ready to personalise their services suited to your cleaning needs. Call them today at 0410 615 959!**
