We Deliver Pool Chlorine to your door.

Do you use an automatic chlorine dispenser to chlorinate your Pool?

We can fill you drum saving you time and the risk of a chemical spill.

Email us today or call 02 9449 7055 to arrange for Pool Chlorine delivery.

Pool Leak Detection & Repairs

Pool leaks can cause more damage.

Not always easy but best to start with the simplest solutions. We are happy to advise or organise a service call.

Don't put it off as leaks can cause structural damage to your pool or other property.

Email us today or call 02 9449 7055 to see how we can help you.

Pool Cover Installation

Save water and energy!

Pool covers enhance any heating system, significantly reducing running costs. They also reduce evaporation from your pool

Email us today or call 02 9449 7055 to see the options for a pool cover for your pool.

Pool Filter Box Installation

We install Filter Boxes.

A filter box will not only hide your pool equipment from your landscape but significantly reduce noise.

A variety of solutions are available.

Email us today or call 02 9449 7055 to arrange for a technician to visit your pool.
