Service and Maintenance

Your heating and cooling systems may be one of your most valuable purchases you can make for your home or business.

Arctic Blue's service and maintenance teams are renowned for providing the highest quality service to all customers, making us stand out from the rest. Arctic Blue employs highly skilled installers and service technicians who strive for competent professionalism. Your satisfaction is our highest priority.

If your air conditioning is not properly maintained, you may avoid your manufacturer's warranty. This may reduce the life of your valuable investment. By using Arctic Blue's service and maintenance team, you are guaranteed peace and mind for the lifetime of your investment. We offer a full range of ongoing maintenance packages which may be customised to suit your budget.

Packages Available:

- Annual
- Bi-Annual
- Quarterly

Our System Checks Include:

- Thorough cleaning of your air filters
- Refrigerant gas checks
- Fan performance tests
- Electrical Checks
- Mechanical Checks
- General Maintenance Checks
