

## Plumbing Service Locations in Melbourne

### Plumbing Services that Cover the Greater Melbourne Area

Inner City Plumbing services all Melbourne Suburbs specialising in suburbs close to the city centre. We have been in this business for over 20 years and we are continuously growing. Our clients appreciate our friendly plumbers and how we use the latest technology to deliver high quality plumbing solutions.

We offer a large selection of plumbing services for your convenience. If you have a plumbing emergency, such as a burst pipe or blocked toilet, then give us a call. Our plumbers also have the knowledge to install hot water units, unblock storm water pipes, and install water filters. We can even repair gas leaks and repair roofs.

If you are a business, then we can also provide plumbing services at your office. We can deal with plumbing emergencies, leaking taps and blocked pipes. We can even install and replace gas appliances and gas lines.

Our plumbers also have the experience to address burst and leaking fire mains, to protect your staff and office in the event of an emergency.

Some of the locations covered include:
