About Us

Locksmith Services Pty Ltd now incorporates Frankston Locksmiths, Bayside Locksmiths and Mount Martha Locksmiths.

From humble beginnings in Frankston Locksmiths, Locksmith Services Pty.Ltd. was established in Frankston in 1973. A lot in commercial, domestic and automotive security technology has changed since then and in turn, so have they. Though throughout the history of the company one thing has stayed the same and will continue to stay the same, their on going commitment to providing a prompt, professional & personalised customer service. It is this service that has gained them an excellent reputation and a large, loyal customer base from Melbourne to Portsea.

All of their technicians are fully qualified locksmiths. They are prompt, professional lock and key experts.
