Our Guarantee is simple! If you're not happy with the quality of our workmanship then we'll come back for free.

Addressing property maintenance

Addressing property maintenance and repair issues before they escalate can **save you money** by protecting your most important asset – your home – from greater damage. Our handyman repair services extend beyond general property updates to include electrical and plumbing services that many do-it-yourselfers simply do not have the technical experience to manage.

Our Capabilities

With regards to property repair and maintenance services our team of qualified handymen can provide to homes across Perth and Regional WA:-

- **Electrical** – We have experienced technicians on hand to assist you with a large range of specialised handyman services including installing new light fittings and switches, moving and replacing power points, installing and moving data as well as installation and removal of electrical cooktops and ranges.
- **Plumbing** – Our property maintenance expertise extends to plumbing projects as diverse as basin and sink installation, tap and faucet removal and installation, caulking and sealing as well as simple repairs to fix leaks and drips in your kitchen, bathroom or laundry. No job is too small for our team.
- **General** – From plastering jobs and painting services to carpet removal and outdoor concreting, our handyman services are designed to provide you with all of the property repair and upkeep assistance to keep your home, investment property or commercial space looking and functioning like new.

Safe and Effective Project Completion

Whether you are planning a renovation, preparing a home for inspection or fixing damage, Complete Property Maintenance WA can ensure that your project is completed safely, effectively and to the highest standards. Contact us directly for a fair quote covering all of the electrical, plumbing and general upkeep you require in your home or commercial space.
