

Natrad

Radiator Repairs

About Us

Dedicated Heating & Cooling Specialists Since 1922

Natrad Radiators & Auto Air are Australia's most trusted auto cooling specialists, with around 70 stores nationwide. We are the market leader in radiator and air conditioning repairs, replacement and maintenance, expertly servicing retail, trade and large industrial accounts. Natrad are supported and owned by Australia's premier radiator manufacturer, Adrad, whose products are synonymous with exceptional quality.

The radiator is an essential part of your vehicle, helping to maintain engine performance, support your transmission, increase the overall longevity of your engine and assist in lowering fuel emissions. At Natrad, our cooling specialists are highly skilled in the diagnosis of issues, and in the replacement, repair and maintenance of automotive cooling systems. We have both the expertise and access to parts and products that means your car's cooling system is in safe hands.

Natrad also provide specialist auto air conditioning service and repairs, ensuring your driving comfort and safety all year round. Our licensed auto air technicians are not only skilled diagnosticians and repairers, the Natrad network gives them access to a comprehensive range of auto air conditioning parts and accessories.

At Natrad, we stand by our specialist service and quality products with all repairs, replacement and maintenance backed up by our 3-year nationwide warranty.

So, Nip into Natrad today! Call us on 131 723 or find your closest Natrad store using the online store locator below.

Natrad now stock a huge range of radiator and air-conditioning products, with several major warehouses in strategic locations around the country. To further consolidate our expertise, Natrad has recently extended our offering with the Natrad Heavy Duty Specialist Group, addressing the need for highly skilled cooling technicians for heavy industry, such as trucking, mining, agricultural and large transport fleets.
