

About Us

STS Mowing is a LOCAL Mowing and Garden Care business, based in Landsborough, which services the Sunshine Coast and Hinterland of Queensland. Our services include lawn mowing, acreage mowing, green waste removal, gardening, hedging and pruning, and garden clean ups.

STS Mowing began in 2012 and is a family business consisting of husband and wife team, Sheila and Tony Squire. Hence the origin of our name, created from our initials STS. Sheila and Tony are friendly, reliable and professional, and are totally dedicated to high standards of customer service.

STS Mowing is a local business with an extensive network of customers, both private and commercial, ranging from Nambour, Maroochydore and Mooloolaba to the Hinterland areas of Landsborough, Beerwah, Beerburrum, Mooloolah, and up in the hills to Maleny and surrounds. We are highly mobile and are constantly building our customer base and the areas we service.

STS Mowing is growing daily, and aspires to become a leader in lawn mowing and garden services on the Sunshine Coast. Our Team is fully trained, Police Checked and Insured. We pride ourselves in high standards of customer service, which have gained us an excellent reputation with our clients. We genuinely care about our customers and their needs. In the end they, the customer, are what we are about.
