What our customers say

"We have used the services of Brian at Alfa Air for several of our properties on both ducted and split system installs. We find him well priced and very reliable. We are happy to recommend him for your air conditioning services."

Ian and Renee

"We had 3 units installed, and the team guided by Brian were very professional and efficient in their work. I thoroughly recommend Alfa Air for future work."

Regards, John from East Brisbane.

"Brian did a great job! Quoted me quickly and was out in the next few days to install my a/c, even took away my old unit for free. Very professional, on time and amazing quality of work. I recommend him to anyone." **Garry**
