## TV Antenna

### **Over 14 years industry experience**

Antenna For Less has been in the Antenna & TV reception industry serving the Ipswich and Brisbane areas since 2001. In this time we gained vast experience in the industry working with major builders and have built a solid reputation in the industry. We believe in good-old fashioned customer service coupled with honesty and reliability, resulting in happy customers (just read our testimonials!). We love making an impact to customers and it is no wonder that most of our business is from word of mouth. In fact 75% of our business is word of mouth and return business for additional services.

With customer focus in mind, we like to deal with our customers on a face to face basis, guiding you through all your options and helping you save money where possible. Unlike some of our competitors who use sub-contractors to carry out the work, we enjoy the interaction with our customers, we may come to you as a service provider, but we leave as a friend. Living locally also gives us that edge, servicing both Brisbane, Ipswich and surrounding areas is our specialty.

### **A superior service guarantee**

Our business is about more than just a television; it's about the viewer, and your experience. This is why you will always meet a member of our team when we come to service your antenna, not just any old subcontractor. Meeting our customers and seeing their satisfied faces is the best part of our job, which is why we strive to get you the clearest picture possible at the best price available. We guarantee nothing less and therefore offer a guarantee on all the services we offer.

### **Great value for money**

We are a part of your community. Serving Ipswich and Brisbane is not just our speciality, it's our passion. If you're a pensioner who needs their antenna replaced for your quiet nights in or a property owner, landlord, tenant or real estate agent who wants the best possible experience for your tenants we have deals for you. All of our services for pensioners and rental properties come with a 10%-20% discount. Our commitment to quality service is a promise. But don't take our word for it. Read about experiences from your community and make your mind up for yourself
