About Us

Health Academy Australia has been started with the aim of providing Health Courses Online for busy people, people living in remote areas and stay at home mums who cannot afford to attend an Institute to upgrade their skills or learn for a new career. Our aim is make the course most affordable but at the same time not compromise on the service or quality of our courses.

Health Courses Australia is a Registered Training Organisation offering Nationally Recognised Qualifications in Health, Aged, Counselling and Dental assistance.

All of our course content has been written by qualified people experts in their fields. Some of our Course content has been sourced by affiliation with ACS Distance Education, Australia's biggest Distance learning school which has been running courses from the past 30 years. 1000's of students have undergone our courses successfully and many are successfully employed.

All our tutors are highly qualified and experienced in their fields.

We wish you all the best whether you are contemplating on further education for your career progression or self enhancement. If you need any help please contact us or use our [free course counselling service](#)

Security Policy

When purchasing from Health Academy Australia your financial details are passed through a secure server using the latest 128-bit SSL (secure sockets layer) encryption technology. 128-bit SSL encryption is almost impossible to break, and is the industry standard.

If you have any questions regarding our security policy, please contact us at admin@healthcourses.com.au

Please look out for the padlock sign which indicates that the server is secure when enrolling.

LOTS OF SUPPORT!

Often the problem with online study is that you feel you are on your own, and have limited access to resources, to ask questions and obtain assignment feedback.

Health Academy provides the highest level of support possible. Students can:

Email questions and quickly receive a email 7 days a week.

Access additional notes whenever needed.

Use the mail order bookshop to get a wide range of excellent books.

A unique 'students only' website that includes a chatroom, forums, student directory, assignment submissions and more

COURSES ARE CONTINUALLY UPDATED

We're always learning new things, from conferences, magazines and journals, internet searches, colleagues and of course student's assignments.

Staff at the school are continually researching and writing new books, magazine articles and video scripts

This gathered information is used to update course notes.

We offer you more up to date information than you are likely to get from many other schools.

We encourage feedback from students through newsletter questionnaires, and contact with tutors.
