

# That Chippy Carpenter

## Kitchen Installation

### On Time, On Budget

Have a Kitchen that is in need of a desperate remodel? No matter what your vision is, That Chippy can be trusted to help you bring it to life. If you need repairs done, need assistance with installation, or would like an upgrade, give me a call and I'll offer you the services you need at prices you can afford.

## General Maintenance

### Professional and Punctual

Need a handyman to tackle those small but complicated maintenance jobs around the house? You name it, I can do it! I supply both the materials and labour for any type of Maintenance from repairing locks and doors, fitting security screens or even hanging up pictures. I perform the repairs and improvements you need with the experience, skill, and customer service you deserve. Feel free to call for more information or to set up an appointment.

## Painting

### On Time, On Budget

Do you need repair or improvement work? I've got years of experience with painting, and guarantee the quality of my workmanship. Whatever your project, I'm ready to help. Call me now to schedule an appointment and free estimate. I will also answer any questions you may have about how I work and what to expect during your service appointment.
