## Car Dealers & Brokers

### **Car Business- No. 1 Brisbane Car Broker**

We offer far more than your average Brisbane car broker. Car Business is a multi-dimensional automotive company that aims to help you to buy your new car for a better price than you can do on your own. Based on the Redcliffe Peninsula about 15 minutes from Brisbane Airport and 30 minutes from the Brisbane CBD, Car Business is located in an area that allows us to pick and choose from Brisbane's finest new cars for sale.

Bob Aldons, formally the owner of Northstar Motor Group sold his dealerships in August 2015. Subsequent to the settlement, Bob has slowly formed a trusted Brisbane company that specializes in many facets of the car business.

## [We offer far more than any other Brisbane car broker, we are your 'go to' Brisbane car buying agents](#)

The 'go to' Brisbane car buying agents, Car Business, is so much better than any other Brisbane car broker. First and foremost, Car Business is an experienced Car Buyer's Advocacy service. Our experienced staffs will stand alongside you. We act on your behalf to help you buy your new car at a better price than you can directly through new car dealers.

## [We'll be YOUR CAR BUYING AGENT](#)

We ask the right questions and find you the RIGHT new car at the BEST price around! We're different any other Brisbane car broker in that we're not paid by dealers for getting our clients to buy a car from their dealership. Our car advocacy service is provided solely to our client (not on behalf of any car dealer or group) and as your agent, and with us working on your behalf, our fee is payable by you. HOWEVER – Car Business will always advise our fee to you up front, and if we can't save you more than our fee with your new car purchase, you don't pay ANYTHING. And that's the Car Business promise to you.

### **First Steps**

The first step is to take our car ["Car Lifestyle Survey"](#) to see which make or model would suit your lifestyle requirements, and feel free to download our PDF – ["10 mistakes people make when buying a new car"](#).
