

Company Profile

Preci Painting Residential and Commercial Painting Services

Preci Painting Residential and Commercial Painting Services were established in 2004 by Joshua and Natalie Preci and together with their team of professional painters and office administrative staff have been delivering quality painting projects to clients in Brisbane, Gold Coast and the Gold Coast Hinterland as well as interstate projects throughout Perth and Melbourne. We are now excited about our expansion into Cairns and providing the same quality service here in the beautiful tropical north.

Preci Painting are professional house painters and have many affiliates with other trade organisations. We aim to continuously provide quality home painting services to our existing clients and look forward to establish new enduring business relationships with new clients.

Servicing a broad spectrum of clients including, Commercial, Industrial and Residential, our specialties range from interior house painting, exterior house painting, roof restoration, spray painting, two pack coatings, texture coatings, faux finishes and expert colour and decorating advice.

Preci Painting prides itself on providing a comprehensive home painting service at a competitive price that can be dedicated and committed to the smallest of jobs but also has the structure and resources to manage large commercial painting projects. Our quotes are never inflated and broken down so you can easily identify costs associated with various aspects of the job.

Preci Painting employs a flexible workforce of 2-15 qualified painters, Office Manager, Administrations Manager, Marketing Manager, Receptionist and Accounts Manager.
