

Billabong Pool Service and Supply

Swimming Pool Equipment

Starting out in 1978 as a small business of just two staff members, Billabong Pool Service has grown into a reputable major company in the pool industry now employing 35 skilled pool professionals. The driving force behind the company's success has been the uncompromising demand for excellence and an ethical approach to working within the codes and regulations of the industry.

Client satisfaction is always at the forefront and our highly trained team will work hard to ensure that your needs are fully met. We instill in our team an ethical approach that means all work will be carried out in strict accordance with the relevant industry codes and regulations.

Superior service

Billabong Pool Service can provide assistance with maintaining the appearance of your swimming pool whilst upholding the safety requirements of the industry. From pool equipment installation to upgrades and repairs, we are waiting to help you with branches in Maroochydore, Noosaville and Caloundra.

Our aim is to nurture lasting relationships with our valued clients to assist them in getting the most out of their swimming pools. We invite you to contact us and discover the Billabong Pool Service difference today.
