

Xtreme Movers

Removalist

We will provide your perfect home removal. Xtreme movers provide a fast, reliable and personal service for all types and sizes of house removals throughout Australia locally and interstate. We are customer focused from first contact through to safe delivery of your house contents. Our custom-designed online quote facility provides an instant and reassuring guideline price. Customers are also very appreciative of the many other aspects of our service which are designed to make their home removal as smooth and painless as possible. We pride ourselves on delivering exemplary customer service, paired with a wealth of knowledge that is channelled into creating the perfect home removal solution. Regardless of time or budgetary constraints, we are able to deliver a personalised move that meets any requirement. Our tailor-made removals service means that nothing is missed and any challenges are swiftly overcome.

Moving House

| Whether you're planning to move across the street or interstate, Xtreme Movers can help. You can be sure that your moving day is in safe, professional hands.

Your Moving Survey

| A professional Move Consultant from our nearest office will visit you at home (at a time that suits you) and carry out a comprehensive moving survey of your household possessions.

Packing Services

| Packing and unpacking can be the most time consuming and often tedious part of moving house! So why not leave it to us? Our packing teams are professionally trained art handlers, technicians and packers, so you can be sure your possessions are in safe hands.

Moving House Checklist

| Xtreme Movers have put together this moving house checklist to help prepare you for the big day, reduce the stress and make your house move easier.
