

# Star Diamond Carpet Cleaning & Pest Control

## Carpet Cleaning

Star Diamond Carpet Cleaning & Pest Control was established in 2012, we have served and helped hundreds of happy customers remove stains, clean carpets and move out of their rental properties being able to satisfy all their exit needs. We are different to our competitors because we are a family owned and operated business, therefore we can offer affordable and fair rates and still ensure our customers are always satisfied with our work.

We are always looking to expand and grow our business by adding further skilled employees to our team. All our staff must pass a complete criminal police check before they are hired, as part of our employment policy, which gives us confidence in them, and gives our clients peace of mind.

## Carpet Cleaning

Carpet cleaning should be done on a regular basis to remove dust, dirt and all sorts of harmful bacteria which may cause such things as, asthma and breathing problems.

Carpet Cleaning and sometimes Pest Control is required when vacating any rental property and Star Diamond will provide you with the appropriate receipt for your landlord.

## Stain Removal

It is no surprise that stain removal is by far the biggest challenge that we face as professional carpet and upholstery cleaners. So we are proud to introduce the latest stain removal technology that really works!

## Upholstery Cleaning

At Star Diamond Carpet Cleaning we take upholstery cleaning very seriously and are trained to remove odours and stains that build up over time. We use carefully selected antibacterial solutions and equipment that will not only add life to all your furniture but help with the ongoing health of you and your family.

Water Extraction

Star Diamond Carpet Cleaning are specialists in flood damage restoration, and have the right equipment necessary to take care of your property after you've been affected by flood damage.

Pest Control

Depending on the circumstances, effective long term pest control is achieved using both methods using bait and gels for long-term benefits along with pesticide sprays.

## Tile And Grout Cleaning

At Star Diamond Carpet Cleaning we use the latest technology to ensure that your tiles and grout are clean and sanitized. Our high-pressure tile and grout machines get deep down into the tile, to pick up stubborn dirt and grime.

## Bond Cleaning

At Star Diamond Carpet Cleaning & Pest Control we can help you by taking care of all your cleaning needs so your unit or house is ready to be handed over to a pleasantly surprised landlord or letting agent.
