

Prahran Air Conditioning Air Conditioner

Established in 1965, we specialise in the installation of heating and cooling systems in upmarket commercial and domestic projects.

About Prahran Air Conditioning

Prahran Air Conditioning was established in 1965, and specialises in the installation of heating and cooling systems in upmarket commercial and domestic projects.

We have been responsible for the air conditioning of numerous high profile commercial developments and the name behind some of Melbourne's most prestigious residential property developments.

During the years, Prahran Air Conditioning has remained one of Melbourne's leading suppliers to the building industry with an impeccable reputation for quality. Our commitment to customer service is unique, including comprehensive after-installation service.

Furthermore, we have no allegiance to one systems manufacturer, therefore giving you the most efficient and cost effective air conditioning solutions.
