

Why Hire Us- Diamond Jewellers?

The Diamond Club is virtually unmatched when it comes to the supply of high quality diamonds at the right price. There is not a single diamond that enters or leaves our premises without owner, Pierre Joubert's experienced eye checking for quality and value for money.

Here are some of the reasons why we are known as the leading jewellery designers, Perth:

All of our diamonds are internationally certified and conflict free, so you can rest assured your diamond is of the highest quality.

As an international diamond broker, we can offer our diamonds for sale at wholesale prices. You won't find comparable diamonds for the same price at any major retail store in Australia.

Our Diamond Syndicate's diamond database is the largest in the world, with more than 1 000,000 diamonds, worth over 8 Billion dollars, available at any given time, which means we can almost guarantee that we will find your perfect diamond.

We manufacture diamond engagement rings and all types of gold and platinum jewellery onsite, which means substantial savings for our clients.

The Diamond Club is one of the popular names in the pantheons of Perth jewellery designers. It is the home of perfect Certified Diamonds.
