

Commercial Services

Experienced commercial cleaners

Gutter-Vac is uniquely equipped to partner with commercial property owners, facility managers, groundskeepers and government and education contractors to develop a customized gutter cleaning and maintenance plan.

The Gutter-Vac team has over 15 years experience in commercial contract management and we appreciate the need to comply with contract guidelines and timelines. Commercial customers can trust Gutter-Vac's expert team to handle their gutter maintenance requirements efficiently and effectively.

Our Gutter-Vac team can customise a gutter cleaning maintenance solution for any property and any budget.

Contract management service

Gutter-Vac's comprehensive contract management service includes:

- **A customised maintenance program**
- **Access to local, regional and national services capabilities**
- **The ability for a central work distribution point for multiple properties across multiple regions**
- **Central billing and payment processing**
- **Environmentally responsible services**
- **Satisfaction guaranteed**

Gutter-Vac's team is committed to excellence in customer service and offers the best proven technology in the industry.

Work safety

All of our operators take safety very seriously and are trained in working at heights and carry a minimum of \$10,000,000 in public and product liability insurance. Gutter-Vac operators are aware of the work place health and safety issues that arise when working at schools, work sites and other public areas.

Flexible and adaptable services

Gutter-Vac's vacuum gutter cleaning equipment uses its own power, we isolate our working area and we can conduct our cleaning out of hours or on school holidays to ensure minimum disruption to your site.
