1. **Mobile showroom** You don't need to leave home to choose the best quality paving. We have a well-stocked mobile showroom and will bring a wide range of pavers right to your door for you to choose from.
2. **Experience and Reliability** With 18 years of experience we can work with all kinds of pavers and block sizes. We can also cope with any inclines and soil types.
3. **Iron Clad Guarantee** Naturally, we guarantee all our work, not just parts of it. We also promise to return to site after a year to ensure that everything is still good.
4. **Best Quality** Just Pave is regularly awarded contracts by councils and construction firms because of the quality of our work.
5. **Fully In-house Service** We do all our work in-house, saving you the hassle of dealing with multiple contractors. We do pool landscaping, driveways, patios, retaining walls, lawn edging and we even lay artificial grass.
6. **Quick and Hassle-free** We work quickly minimising the dirt, mud and other inconveniences that come with living on a job site.
7. **Clean and Thorough** We always do a thorough clean up when the job is finished, leaving your home or business spotless. You will see from [our testimonials](#) how many endorsements we have for all aspects of our work.
