Listed below are the club's details. They will be able to provide you with information on training and availability of spots within their teams. I encourage you to contact all the clubs as they have different fee structures.

Players Wanting to join a team

If Senior players are looking for a team there is a couple of options for that to happen.

1. Players can come down to the stadium on the night they are interested in joining and introduce themselves to some of the teams playing. Information about which grades are playing on each court can be found by speaking to the canteen staff. There is also a board that the players contact details can be placed for other teams.
2. Players can email competitions@sdbal.com.au Attention : Paul. Please supply the day and grade they wish to play as well as any relevant playing information and contact details and this will be forwarded to the team contacts of that competition.
