

Avoca & Maroubra Driving School

Driving Lessons & Schools

Avoca Driving School was first established in 1948 in Avoca Street, Randwick.

Maroubra Driving School was established in 1965. Both schools joined to become Avoca and Maroubra Driving Schools in 1988.

Our Driving Instructors are the longest licensed Driving Instructors in the Eastern Suburbs, with over 110 years experienced combined.

We have seen every change come through the RTA in the past 30 years. We also have been instrumental in dealing with the Roads Minister to try and get a better system for Learner Drivers.

Our Driving Instructors

Eddie Neale, Ernie Thackray & Bari Moffet have been with Avoca & Maroubra Driving School for over twenty five years each. Our new Instructor David Jacks has over 20 years experience and is now teaching with us.

With all our experience we offer courteous and patient tuition for all of our students.
