

Ross Lifting Pty.Ltd

Lifting Equipment

ABOUT ROSS LIFTING

Ross Lifting is a family owned and operated company in Queensland Australia with extensive knowledge in the Lifting and Rigging Industry.

Ross Lifting's main lifting Equipment products are: Grade 100 & grade 80 chain slings and components, chain & lever blocks, round slings, webbing slings, Yellow and Green pin shackles, Height Safety Equipment.

If we don't have what your looking for we will find it for you. Ross lifting is equipped with a 40 Tonne Horizontal & 12.5 Tonne Vertical NATA calibrated test bed facility that is fully mobile so we can come to you to save time and money. Up to 200 Tonne load testing available on request.

COMPANY HISTORY

2014

[Humble beginnings](#)

Things started quickly after a change in work status for Shannon, our managing director.

2015

[New headquarters](#)

We secured a new home base for Ross Lifting and sales continued to increase beyond our expectation to post an incredible start to our first year in business.

2017

[Another fantastic year](#)

We saw incredible growth again in 2016, and have again exceeded all expectations. We love our customers and we appreciate their business to help us grow rapidly throughout the year.

2017

[The Future looks bright](#)

With continued predicted growth and a widening of our product offerings and customer base, we see great things happening in 2017 and beyond

EXPERIENCED TEAM

[Shannon Ross](#)

Director and co-founder of Ross Lifting Pty. Ltd.

Shannon has an extensive knowledge of the Lifting and Rigging Industry here in Australia and has been involved in the industry since 2009.

[Vanessa Ross](#)

Accounts Payable at Ross Lifting Pty Ltd

Vanessa handles all our accounts payable responsibilities and looks after your enquiries. She has been looking after this side of the business since as early as 2014.
