

# About Us

## Taylor Made

### Building Maintenance

#### About Us

“Taylor Made Enterprises Pty Ltd” are highly competent in creating and sustaining clean environments, well maintained grounds and all areas of property maintenance service. Its operational systems have successfully provided measurable results for our clients by improving quality, containing costs, minimising risk and environmental impact.

“Taylor Made Enterprises Pty Ltd” was established in July 2009 and quickly gained a reputation for providing high quality cleaning services. Our company motto of “WE LISTEN, WE UNDERSTAND, WE PERFORM, WE ACHIEVE” is the foundation that the company is built around. It is through this attitude and dedication to our client’s needs that has seen the company grow to where it stands today. Supplying not only cleaning services, but Property Maintenance and Lawn and Garden care to Building Contractors, Regional Councils, Day Care Centres, Offices, Transport Companies, Real Estate Companies and Churches. As well as maintaining Domestic services for Disability Service Providers and Individuals.

Partnering with such varying industries has given “Taylor Made Enterprises Pty Ltd” the opportunity to gain valuable knowledge in a range of skill sets, which drives quality performances and an understanding of client’s needs. Our proven track record demonstrates the ability to provide an efficient and comprehensive service without compromising quality or safety

#### Cairns Cleaning Services

Having serviced Cairns’s homes and offices for over 10 years we have built our range of services based on what we know our client's want to keep their homes and offices looking amazing! Taylor Made offers so much more than just cleaning we can help you with just about any task including Lawn Care & Property Maintenance!

#### Why Choose us

Taylor Made provides professional commercial cleaning services to a variety of clients in and around the Far North Queensland region.

With our highly experienced staff and our enhanced business systems and processes we have the capacity to offer commercial office cleaning services for multi-storey and/or multi-site businesses in Cairns.
