

Max's Handyman- Home Repairs & Maintenance - Brisbane City

About Our Handyman

Our Story

We do all type of construction and installation of cabinets, carcasses, cupboards, wall units, shelving, drawers, furniture, vanity units, laundry units and bars. We primarily work with wood however new technologies can see them working with metal, rock or vinyl as well.

We will work with you to help you design the right product for your home and family needs, whatever that product may be. We will be able to design a product that will suit your budget. However, once you and your professional are in agreement, it is important that you stick with what you have decided as modifications to the original design can be very expensive.

For professional advice or a free quote, call Max's Handyman friendly team in Brisbane City on 0413 813 927 or send us an email. We are ready to tackle your needs..
