

# Warners Bay Driving School

## Driving Lessons & Schools

### About

#### **Danial - Owner/Operator, Manual instructor**

Prior to establishing Warners Bay Driving School, Danial was an RTA (now RMS) Driver Testing Officer. Being in this role for 7 years enabled him to develop expert skills in observation and hazard perception techniques and means he knows exactly what is expected when you sit your driving test.

Danial is friendly and enthusiastic. He has a passion for driving and is not interested in just teaching you how to drive around a test course, as this won't prepare you to drive in real situations – to handle different road and traffic conditions.

Danial is an accredited keys2drive instructor and qualified coach for the Safer Driver Course.

#### **Kylie - Automatic instructor**

Kylie is a friendly, outgoing instructor who will make any nervous driver feel at ease. She has over 5 years experience as a driving instructor and is a qualified coach for the Safer Driver Course.

At Warners Bay Driving School, we understand learner drivers are keen to gain the

freedom of having their P plates as soon as possible but we want to help you know how to keep them!

We will complete your log book after each lesson so you and your Supervising Driver can see the progress you are making as well as the areas you need to practice.

### Lessons Include

- Procedures for roundabouts, give way and stop signs
- Night driving
- Lane changing and merging procedures.
- Three point turns.
- reverse parallel parking and kerbside stop
- Hazard perceptions and crash avoidance techniques
- preparation for RMS driving test.
- Individually planned lessons.
- door to door pickup and return to your home, school or office.
- Lesson review, constructive feedback and tips for practice.

### Keys 2 Drive – FREE LESSON

Is a federal Government initiative, providing learner drivers and their parents/supervisors a FREE driving lesson. I am a fully accredited Keys 2 Drive instructor, please visit [www.keys2drive.com.au](http://www.keys2drive.com.au) for more information
