

Jim's Mowing (Eastwood West)

Garden Maintenance

Jim's Mowing is the Largest Mowing and Garden Care Franchise System in the world.

Jim's Mowing began as a one-man business in 1982. Jim Penman, with a dedication to customer service established the Jim's Mowing Franchise system in 1989.

Jim's Mowing has an extensive network across Australia and New Zealand and is also in Canada and the United Kingdom. In total Jim's Mowing has over 3300 franchises to service your needs.

Jim's Mowing has grown and become a leader in lawn mowing and garden services through offering training and support to our quality Franchisees. Our clearly defined standards of customer service have built us an excellent reputation – we aim to deliver the same reliable, friendly and professional service that Jim offered his own customers in 1982 – this has made us the best known Lawn and Garden Care Group in Australia.

Garden Care

A well maintained garden provides a great look and feel to any home and increases the appeal of your property. We can tailor a garden maintenance program to suit your garden's needs or simply provide a once off visit.

Our gardening care and maintenance services incorporate all aspects of gardening:

- Garden Care, weed and pest control, landscaping,
- irrigation system installation and repairs,
- drought tolerant gardens,
- trimming and hedging,
- mulching,
- lawn restoration and repair, and
- general garden clean up

Lawn Mowing

Professional lawn cut provides the best possible finish for your lawn including professional edging of entire lawn area including around trees and other garden features. Your local Jim can assist with your lawn care through weed and pest control, top dressing, fertilising, aeration, coring, and turf laying and repair.

Ride-on mowing is available for all properties and slashing is also available for larger properties.

For all your Lawn Mowing needs, call and one of our friendly customer service staff will assist you with your enquiry.
