

A & R Electronics

TV Antenna Installation

Mildura's trusted antenna experts

Here at A & R Electronics, our mission is to help you select and customise the perfect audio-visual equipment. As Mildura's antenna experts, we make finding the right products easy, and can professionally install your new purchases at your home or business.

Expert technicians

We stock all leading and popular brands, and all our knowledgeable staff are fully up-to-date with the industry's latest hot products. Our specialist team is also trained in repairs, set-ups and installations to ensure we can offer you a full-package service.

We're also your antenna experts and can supply new antennas, and help with signal strength assessments and antenna points. Whether you just want to purchase new products from us, or need us to set-up your equipment at your property, we can help with it all.

Wide range of audio visual solutions

Our technical support team is happy to answer all your questions when you're thinking about purchasing any of our promotional and highly sought after visual and audio equipment. We can supply and offer you advice on the best:

- Home cinema systems
- Audio systems
- Projector systems
- TV antenna and satellite systems
- PA systems
- Video distribution and TV systems

Whether you need PA systems for commercial use, or audio systems for domestic and educational purposes, we carry an assortment of major makes and models to ensure you find something within your budget. From specialist advice on function and performance to fast and affordable set-ups, repairs and installs, A & R Electronics in Mildura has your every need covered.

Leading brands in home electronics in Mildura

A & R Electronics in Mildura is dedicated to excellent customer service, whether you're looking for new home electronics, or installation and repair services. We have a great range of premium high-end brands for you to choose from, and we cater to all budgets and requirements. Our friendly team is always on hand in store to look after your needs and answer any questions you may have, regarding performance, set-up and our promotional offers.

We're proud to provide premium AV and technical support services without the unreachable price tag. All our installers are fully insured to carry out set-up at your home, business and school in Mildura and the surrounds. You can always trust A & R Electronics with all your AV needs.

All the brands of home electronics listed on this page are available in-store, and can be installed at your property, safely and efficiently. If there's a particular make and model of AV equipment you're keen to invest in that you can't find on this page, we'll try our very best to source it.
