

Omega Security Solutions- Locksmith Services - Yarraville

Our Locksmith Services

With over 40 year's experience, Omega Security Solutions provides an experienced and professional locksmith operation. We offer a comprehensive range of products and services to cater for your home or business and all are carried out by our experienced and highly trained staff.

- ✓ **General & domestic locksmith works**
- ✓ **Key cutting (restricted, residential, safe & filing cabinet, automotive, and more)**
- ✓ **Safes & dedicated key cabinets**
- ✓ **Residential & commercial locksets**
- ✓ **Architectural door hardware**
- ✓ **Automotive Locksmith (specialising in key duplication, programming, ECU resets, and a dedicated, fully equipped vehicle for on site service)**
- ✓ **Key management software & accessories**
- ✓ **24/7 Emergency Service**

Our quality service provides everything from product advice, security inspections, after sales support, preventative and scheduled maintenance and the provision of training for your staff.

Visit our extensive showroom and workshop at 256 Hyde Street, Yarraville or contact us at (03) 9689 3488 to arrange a site inspection by one of our sales representatives!
