GLUTEN FREE PIZZA AVAILABLE

Best pizza I've had in a long time. The ingredients are fresh & the bases are crunchy which all add up to a yummy pizza. Also, has a great atmosphere & lovely staff :D - **Lana Robinson**

Crispy beautifully designed and cooked pizzas. The base was fantastic. The ingredients were fresh and the combinations were fantastic! The wood fired taste is great. The staff are very friendly, bubbly and helpful.

The wait wasn't long either but I still managed to enjoy a glass of wine in the beer garden while I waited! I can't believe there's such a funky, cool place in Blackburn. Will definitely be back :-)

Amazing pizzas & service. Great to have such a wonderful local pizza hangout! - **Christa Kosmatos**

Bar Doh rocks! Everything on the menu is awesome! Especially the Jen's special! – **Jen Doyle**

Starts off with a beautiful smell as you walk up to the front door, modern decor, welcoming staff and ends with a pizza you'll be dreaming of for weeks. With an extra pinch of shock when you're presented with a bill that barely touches your wallet. "additional toppings .50c" - **Greg**
