Our highly trained staff provides professional, high quality service at affordable rates in the comfort and convenience of your business or residential location.

JMC Computers is a leading on site computer services company. Our technicians and trainers have helped thousands of small businesses and homeowners with their computer needs.

### **Computer Repairs Melbourne – Buy Computer & Tablet Parts**

JMC Computers is the one-stop shop for your diverse computer repair needs in Melbourne. We can repair and service any Operating System-based computer, and also provide phone and Tablet repairs in Melbourne, regardless model or make. Whether it's shattered screen, damaged Mic/speaker or anything that's causing inconvenience or disrupting normal functioning of your device, we have got you covered for everything. We offer guaranteed computer repairs in Melbourne for all software and hardware related issues to ensure your peace of mind.

**We Sell Parts, Repair Computers & Provide Complete IT Support!**

Sometimes, a major damage or technical glitch in your device goes beyond repairs and calls for part replacement. Worry not! We also supply genuine spare parts that you need to keep your gadget up and running, at a reasonable price.

At JMC Computers, you can buy new and refurbished laptops, desktops and Macbooks at discounted rates. While the brand new products on offer are fully covered under manufacturer warranty, the refurbished ones are still a safe option to consider, because they are all tested by our team of technicians for optimum functionality and longevity.

**Buy quality accessories to enhance your experience as a mobile or computer user!**

JMC Computers has an extensive range of mobile phone and computer accessories on offer. From screen-guards for phones to mouse/keyboards for computers and storage & charging solutions for everything in between, we have got all – you name it. All our products are available for lower than market price, which means shopping with us can save you a great deal of money, as well as give you an assurance of authenticity on every purchase.

**Choose from Our Wide Range of Computer, Tablet Parts & Products**

We offer a wide range of network and storage solutions, which can be configured to your device for seamless data transfer over the network or between devices. Our product-range caters for both personal and corporate requirements of any budget preference. We can also supply desktops/laptops at a wholesale price for companies to set up their new office.

Shopping online with us is a breeze! You can register on our website to fast-track your purchase and get attractive offers over the time. So, whenever you need computer repairs Melbourne-wide assistance, you know who you should be turning to.

For genuine computer parts and repair, JMC Computers has got you covered! Call us for all kinds of computer repairs and maintenance assistance.
