

CNS Locksmiths- Automotive Locksmith Services- Locksmiths

At CNS Locksmiths we offer Locksmith services for SOME AUTOMOTIVE VEHICLES.

The Automotive Locksmith Services that we provide includes ignition lock repairs and replacements, repair & replace auto door and boot locks, SOME Auto key duplication, auto broken key extraction, auto vehicle openings.

Locksmith Automobile Lock Security tip:

It is a good idea to have a secondary vehicle key, in the event of losing your only key – in most cases it will become a very expensive exercise!

Automotive Locksmith Services

Repair & Replace Ignitions Locks

We can re-service existing and old locks and make it look like new again. Also we repair existing locks with broken or worn parts.

Duplicate Auto Keys

They only offer a very basic duplicating key service, pre-Transponder Chip Keys, and NO Remote Programming

Auto Broken Key Extraction

In most cases we can remove a broken key from the barrel without having to replace the lock

Auto Vehicle Openings

At CNS Locksmiths we know how important it is for a quick response - 24 hr Emergency Locksmith Service
