## Bathroom Renovations

### Melbourne's Oldest Bathroom Renovations Company

Our three-generation family business was established in 1985 and is Melbourne's oldest bathroom renovating company, with over 32 years in business.

As registered builders, we are happy to discuss your needs for bathrooms, ensuite and laundry requirements. Based in [the south east suburbs](#) of Melbourne, our bathroom renovators have completed projects from [the Mornington Peninsula](#) to the CBD, delivering fantastic results regardless of locale. Ideal for apartments, our small bathroom renovations make even the most modest space a work of art, blending form and function into one beautiful package.

### About Bathroom Connections Pty Ltd

Our experience, attention to detail and [professional team of designers](#) can comfortably handle all your renovation needs. The Bathroom Connections team have accessed and developed close business relationships with architects, engineers and building inspectors, to help personally create your perfect environment.

Our clients in Melbourne feel comfortable knowing a registered builder is managing the whole process.

### A Dedication To Quality In Everything

Our team of bathroom builders work very closely with specific suppliers, ensuring you are provided with exceptional service for all your renovation choices. This is where we make that difference and work closely with you throughout all stages of the project.

Ensure you have a knowledgeable, experienced team working on your project and contact us today. We welcome enquiries through our contact page, and licensed builder Nathan Coles is available for a discussion on [1300 886 596](#) or [0418 836 207](#).

### ABOUT US

Whether you want a complete bathroom overhaul or just an upgrade, Bathroom Connection Pty Ltd can offer:

Complete design & or remodelling of your bathroom.

We also specialise in stepless & walk-in showers & were one of the first companies to build them.

We have earned ourselves a reputation for being trustworthy, reliable & paying attention to detail.

We are proud to be **HIA Platinum Members** and have enjoyed membership for the last 28 years with no building defects or reprimands whatsoever:

- Good building practice
- We offer a complete design &/or re-modelling of your bathroom
- You will be dealing directly with the builder who has had over 30 years experience in the industry

### **Peace of mind & quality assured**

Our team all come together to deliver the perfect bathroom. They boast years of experience and are highly skilled, qualified & licensed.

We are particularly known for hassle free, smooth operation of on-time building of your bathroom.

We also specialise in stepless & walk-in showers & were one of the first to be building them.

Our attention to detail, we've always been told, by our endless list of clients, is superb!

## OUR SERVICE

### Melbourne's Oldest Bathroom Renovating Company – Leaders in Bathrooms

Our three generation, family business was established in 1985 and is Melbourne's oldest bathroom renovating company, over 32 years in business. We are a strong company building high quality bathrooms.

We offer guidance from the start to finish of your renovation. Whether it's your own ideas and plan or ours, you will get the best advice.

### Stunning Bathroom Designs for Melbourne Homes

With a wealth of technical knowledge and industry experience, we're more than qualified to deliver exceptional results every time. What's more, we make the process as simple and easy as possible, as our team is friendly, approachable, clean and pleasant to talk to, as we are continually told by our appreciative clients. Find out why and choose Bathroom Connection for your home!

### Dedicated to getting the most beautiful result for your property

At Bathroom Connection, we understand the importance of getting the most talented, knowledgeable company in your home. We take pride in our work, [delivering an end-to-end service](#) that takes the stress off you and delivers a worry-free experience. Our team of technicians organise and oversee every part of your bathroom remodel or renovation from design to fit out. With extensive experience in small bathroom designs for apartments, granny flats and other space-constrained properties, everyone can benefit from a visit by our talented staff.

Beginning with providing you with a detailed quote, we'll conduct a site lay-out, provide start and finish dates, and arrange contracts, taking care of all the messy administrative tasks that go into a successful renovation.

We always ensure that you're up to date on each and every development. You'll receive a day to day update of the progress of the renovation, alongside a timetable on what's happening and when so you can count down the days until you can use your beautiful new bathroom.

### Industry leading work at competitive prices

We charge trade prices on bathroom products, tiles and accessories. Do not pay full retail pricing when you can get the same for less.

Importantly, all of our trades team are long term bathroom connections trade people who are highly skilled in bathroom renovations. They all practice the Australian code of practice and regulations. All of our trades are fully licensed and insured, a must for your peace of mind.

*We also specialise stepless and walk-in showers, and we were one of the first to be building them.*

Don't settle for good and qualified, choose great and experienced. Bathroom Connection delivers excellent results across Melbourne. Find out what a professionally-created bathroom is like and contact us for a free quote.
