

# Lancaster Legal Pty Ltd

## Intellectual Property Solicitors

### Commercial transactions & negotiations

A well thought out and comprehensive commercial structure can make the difference between the success or failure of any commercial enterprise. We pride ourselves on the ability to provide sound legal advice that is relevant to the commercial realities of our clients – we draft contracts that work in the real world!

Lancaster Legal can advise you in relation to:

- Shareholder Agreements;
- Company structures;
- Company Constitutions;
- Sale of business agreements;
- Due diligence investigations;
- Commercial negotiations

### Technology

The ability to comprehend the client's technology is vital in being able to provide you with timely and relevant legal advice. We have extensive experience in advising clients with respect to a broad range of established and emerging technologies.

Lancaster Legal can advise you on all matters relating to the commercialization of new technologies including:

- Sale of technology and licence agreements;
- Confidentiality agreements;
- Material transfer agreements;
- IP identification and capture strategies;
- Registration requirements in relation to therapeutic goods.

### Research & development

Whether you are an established R&D player, or just starting out, it pays to get things right from the outset.

Whatever stage you are at, we can advise you on the most appropriate structure for going forward in any research and development enterprise including:

- Research collaboration agreements;
- Joint ventures;
- Commercialisation agreements;
- Consultancy agreements;
- Start up and spin off company formation;

#### Creative arts

Whether you are a musician, photographer, designer or filmmaker, your livelihood depends upon your ability to protect and enforce your intellectual property rights - Lancaster Legal can assist you in the best way to capitalize on your creative talents.

We can advise you with respect to:

- Band agreements;
- Management structures;
- Label agreements;
- Licensing arrangements;
- Publishing deals;
- Agency agreements.

#### Trade marks & branding

A strong brand can often become the most valuable asset of a business. Whatever industry you are in, it pays to protect your brands reputation and integrity!

Lancaster Legal can advise you with respect to:

- Trade mark registration;
- Product infringement;
- Domain names;
- Company and business names;

We provide a set fee trade mark filing and registration service that represents one of the best value products of its kind in Australia. Call us to discuss
