### Carpet Cleaning

Comprehensive trainings underwent by **eastwest cleaners**, add to that modern cleaning methods and equipment. This is our formula for success. Your carpets will be clean as in the day you bought them. Because we clean carpets with using steam cleaning and best

cleaning methods. We are proud to provide a service this good, offering both dry and wet cleaning. We guarantee no distraction to your daily activities for carpets cleaner than ever.

### **Window Cleaning**

Here at **eastwest cleaners in melbourne** , we clean windows of any kind of property. You no longer have to worry if you live in a high building with hard to clean windows. The cleaners use a water-fed pole to safely reach the places where conventional methods don't work. The experienced technicians will remain unnoticed but the windows will be shinier than even without the use chemicals. Window cleaning turned into science. We know how and we do it well.

### **Move in Cleaning**

This service is similar to the **end of lease cleaning**. It includes a thorough care for your soon-to-be home. The eastwest cleaners can deal with extreme dirt and freshly built properties. After-builders junk is also not a problem. We guarantee you will move in a clean, sanitized and livable house.
