Testimonials

I got my car Roadworthy and my car repaired from Apple Auto Care they did my car repair in very cheap price. Other workshops in Clayton South given me price \$2000 but Apple Auto Care Mr Bajaj did same job in \$850 it is very cheap as compared to other mechanic workshops. I am very happy with the service, price n quality of work on my car. Thanks Apply Auto Care

- Harry seth

Good costumer service.. good value for money.... satisfied with the job done.

- Akin Ade

Couldn't be any more happier with my car going in to get rwc and this car was a tricky one they didnt give up and now it runs like a dream ive definitely found my mechanic from now on and now my partners car has gone in pricing is so good to😊.
